AHI is committed to you

Our passion for authentic, responsible and life-changing travel experiences shapes every program.

AHI Travel is a creative travel company recognized around the world for deluxe, personalized group travel programs. Richard and Arlene Small, two travel industry pioneers, founded the company in 1962, when they launched the first alumni travel programs at universities across the United States. Soon after, they introduced AHI in Canada. They quickly earned an outstanding reputation for quality, service and value, which AHI continues to deliver today to alumni and individual travelers alike.

Personal involvement shapes every aspect of our tours. In fact, AHI leaders Brian, Joe and Rick Small help plan every program. And long before we finalize a program, our team of experienced travel experts stays in the hotels, eats in the restaurants and visits every site. We detail the things that matter most (like the number of cathedral steps you must climb or restaurants with the best food and views!) to travelers.

And now, in collaboration with our international suppliers, our team has put into action new protocols for health, safety and cleanliness. These include more rigorous sanitizing regimens for river cruise ships, hotels and motor coaches; social distancing in motor coaches and restaurants; widely available hand sanitizer; and many other protective tactics. With these proactive initiatives in place, you can rest easy and simply focus on enjoying the people and treasures of the destination.

Our aim is to please you, period. By consistently meeting travelers’ high expectations over the decades, we appeal to educated, cultured and experienced travelers — people like you. Many clients have been so pleased with our programs that they boast of taking 15, 20, even 30 trips with us!

We know you have many travel options and probably just as many questions. So call one of our AHI Travel experts at 800.323.7373. We look forward to helping you plan your trip.

A World of Discovery

The story of travel involves more than a ticket and a passport. It should weave together discovery, education and humanity, the best elements of any compelling tale. Your personal travel story begins with our commitment to delivering authentic experiences with local people.

“My only other group travel experience was AHI’s Cuba trip in 2017, which set a very high standard for my expectations. This trip was also outstanding in every way. Nani is outstanding as were all the speakers and guides. Nani’s efficiency and warmth ensure that we, as travelers, know that the details are handled and we can enjoy our travels. I think the plan of Athens at the beginning and end, with Poros as the center piece with day trips was brilliant. Poros became a home away from home in part, but also, we were welcome guests in Nani’s community! Our experience was a true Greek experience of hospitality and friendship ... Also, the learning aspects were so enriching and rewarding that I am reminded of the value of travel as helping us develop as citizens of the world.”

Accommodations

We personally select hotels and ships for quality, location, value and character.

For more than 58 years, AHI has traveled the world to evaluate hundreds of hotels for our programs. As travelers ourselves, we value high-quality, ideally located accommodations imbued with local charm and style. Our meticulous selection process promises that you’ll return each evening to a well-appointed room with the comforts and amenities you expect. Many of the properties offer thoughtful amenities such as room service, restaurants, a salon and fitness facilities and a pool.

When you’re on the move during our programs, your comfort is paramount. Across land or water, we select the finest river cruisers and luxury trains for the most pleasurable experience.

Hand-picked Hotels

► **Luxury hotels** offer the ultimate in comfort and service. Marvel at the singular attention to detail and sumptuously appointed rooms in sleek, modern hotels like The Peninsula Bangkok and the Shangri-La Hotel, Singapore.

► **Deluxe hotels** range from legendary establishments, such as the Belmond Mount Nelson Hotel in Cape Town to Waterside Lodge, an upscale safari lodge. Historic architecture, contemporary design and extensive amenities distinguish these hotels.

► **First-class hotels**, often a distinctive boutique property or a welcoming family-owned hotel, offer satisfying comforts at the end of an exciting day. Watch a sunset from the Hotel La Palma or sip a glass of Chianti on the terrace of your Tuscan villa.

While the accommodations you stay in during your journey may not define the trip, they certainly complete a wonderful travel experience. Quality lodging is a crucial aspect of our programs.
Select Ships & Trains

▶ **River ships**, built specifically for river journeys, bring you closer to both remote villages and grand cities for intimate views of local life. From gracious service and well-appointed cabins to gourmet cuisine and onboard cultural activities, savor the unique experience of your floating hotel.

▶ **Elegant trains** transport you back to a golden age when the way you traveled was just as significant as the destination. Wind through the heartland in vintage train cars, impeccably restored to their glory days, and relish the sweeping views. Indulge in afternoon tea service or cocktails in the observation car.
