Sustainable Iceland

Iceland is located above the Mid-Atlantic Ridge, an active volcano belt stretching over 5,000 miles from Iceland to South America. Iceland experiences a magma plume from the Earth's core toward the surface in the Iceland plume. When the magma reaches the surface, it melts and creates volcanic activity. Iceland is a volcanic island located in the North Atlantic Ocean, and it is one of the most geologically active places on Earth. Iceland's energy is generated primarily from geothermal sources, with more than 70% of the country's electricity coming from geothermal power. Iceland is also known for its hot springs and geothermal swimming pools, which are located throughout the country. Iceland is also famous for its natural beauty, with stunning landscapes of waterfalls, glaciers, and volcanic landscapes. Iceland is a popular destination for winter sports, including skiing and snowboarding, as well as for summer hiking and wildlife watching. Iceland is also known for its rich cultural heritage, with a strong focus on aurora tourism. Iceland's capital, Reykjavik, is a charming city with a unique and vibrant atmosphere. Reykjavik is known for its lively nightlife, delicious food, and stunning architecture. Iceland is also famous for its participation in the Eurovision Song Contest, a popular European歌唱 competition. You will also have the opportunity to interact with the local chefs and learn about their unique cooking techniques and techniques. These culinary experiences are designed to provide a unique and immersive travel experience, allowing you to connect with the local culture and cuisine.

Sustainable Iceland

Iceland is a country that has taken the lead in sustainable tourism. The island nation has set a goal to be absolutely free of fossil fuels by 2050. Reykjanes Peninsula has been designated as a UNESCO World Heritage Site, and the island has been certified as a sustainable destination by the Global Sustainable Tourism Council. In addition, Iceland has been recognized as one of the world’s most sustainable destinations by the World Tourism Organization, and has been named one of the world’s top sustainable tourism destinations by the World Travel & Tourism Council. Iceland is also known for its commitment to renewable energy, with geothermal energy providing a significant portion of the country’s electricity needs. The island has also taken steps to reduce its carbon footprint, with a goal of being carbon-neutral by 2050.

Health and Safety

Iceland has strict health and safety protocols in place to ensure a safe and enjoyable travel experience. All passengers will be required to provide proof of vaccination upon boarding the ship. Additionally, all passengers will be required to wear masks while on board and in all public areas. The ship will have a dedicated medical team on board to handle any health-related issues that may arise. For more information on health and safety protocols, please visit the ship’s website or contact your travel agent.
Azamara's newly reimagined ships offer exceptional dining, a world-class spa, and a rich program featuring immersive opportunities. Dear UCSB Alumni and Friends,

Iceland is renowned for its dramatic landscapes and fascinating history. From its majestic glaciers to its volcanic landscapes, Iceland offers a unique and unforgettable travel experience. This cruise is a perfect opportunity to explore the beauty of this mysterious and beautiful country.

Join us on our Iceland Cruise from June 22 to July 6, 2020, in the footsteps of the Vikings who discovered this land. Explore the hidden coves and glacial fjords, where you'll see puffins and other seabirds in their natural habitats. Visit Reykjavik, the capital of Iceland, and immerse yourself in its vibrant culture and history. Discover the ancient ruins of Þingvellir, the birthplace of a nation, and marvel at the geothermal wonders of Iceland, including geysers, hot springs, and geothermal pools.

The Azamara Pursuit is a luxurious cruise ship that offers a comfortable and spacious environment for our guests. With its modern design and elegant decor, this ship is the perfect base for exploring Iceland's beauty. Azamara's talented chefs will provide you with delicious and authentic Icelandic cuisine, while the ship's bars and lounges offer a relaxed and luxurious atmosphere.

Please note: Any expenses in left Transferable, our acceptance of the terms and conditions and the regulations of the cruise company. For further details, please contact us at 800-323-7373 or visit ucsb.ahitravel.com.

June 22 – July 6, 2020
Dear UCSB Alumni Alumni and Friends,

Explore the natural wonders of Iceland on a 13-night cruise. Discover the breath of this country's beauty, where volcanoes and waterfalls dot the landscapes and hot springs fill in the shadows of ice-capped mountains. Encounter the cultural capital of Reykjavik, home to culinary creativity. Visit picturesque fishing villages rich with compelling architecture, and Spend time at the hot springs. As you sail in the wake of the whales, you'll see seals, dolphins, and a kaleidoscope of colored seaweed. Plus, your journey is bracketed by the vibrant cities of Copenhagen, Denmark, and Dublin, Ireland.

Alaska brings you to many ports that are not open to larger ships, allowing you more access to many destinations and more time for discovery. Azamara Club Cruises sets itself apart from other cruise lines with Optional Shore Excursions available at an additional cost. Planned by destination experts, these curated tours, foldable games and exciting opportunities allow you to connect a little deeper to your destination.

An experienced Travel Director will accompany you throughout your program to handle every detail, allowing you to enjoy your trip to the fullest. Join UC Santa Barbara, as well as Alumni and Faculty from other colleges and universities, on this delightful adventure in discovery. Spaces are limited on this scenic odyssey, so call today to make your reservations!
