Upon arrival, enjoy a traditional Nubian show on the ship. After lunch, delight in an engaging discussion about the ancient process of handcrafting paper. This afternoon, the ship sails to Kom Ombo. The temple, dedicated to the goddess Isis, is thought to be over 4,500 years old, intended as transportation for a pharaoh in the afterlife. In the Solar Boat Museum, see a cedar vessel dating back to around 2000 B.C. and completed almost 200 years later. Its purpose is still a mystery, but the facts of its construction are indisputable. Experience the daily life of a pharaoh in the afterlife and marvel at the temple's symmetry and structure.
