DISCOVERY

Welcome to Sorrento! Join a brief orientation tour of Sorrento, one of southern Italy's most beloved towns.

Charming Amalfi Coast. Experience a magnificent seaside tapestry during a scenic ride along the serpentine Amalfi Coast. Visit the vertical town of Positano, clinging to a cliff side and adorned with pastel-colored houses. Then get another perspective of the coastline as you cruise in a private boat to pretty Amalfi. Admire its lively piazza and the Duomo di Sant'Andrea as you explore the cobbled streets on foot.

Paestum. Visit the ruins of Paestum and view the well-preserved Greek temples of Greece and "Magna" Graecia. The Paestum National Archaeological Museum contains smaller finds from the site as well as from Foce del Sele.

Meet the People. Following a delicious lunch of local flavors, meet residents of Paestum and participate in an engaging discussion about their lifestyles and experiences.

Naples and the Museo Archeologico Nazionale. Embark on a panoramic tour of historic Naples. Start at Posillipo Hill for an impressive view of the city and the Bay of Naples, then see the Castel Nuovo, San Francesco di Paola, Teatro di San Carlo and Piazza del Plebiscito. Continue to Old Naples and experience its medieval streets and the majesty of its churches. Then visit the Museo Archeologico Nazionale and see its collection of art and objects from Herculaneum and Pompeii. Cap off your excursion by enjoying the local specialty, Neapolitan pizza, for lunch. This genuine treat is unbeatable!

Herculaneum and Pompeii. Spend a full day exploring the ancient Roman cities of Herculaneum and Pompeii, which were destroyed when Mount Vesuvius erupted in A.D. 79. The seaside town of Herculaneum was preserved by mudflows while Pompeii, the larger of the two cities, was covered by ash. The resulting preservation of these two cities is unlike anything else in the world.

Sorrento Farm. Delight in a special excursion to a family-owned farm that produces homemade products. Take a guided tour of the property, and taste delicacies made with the unique flavors of the region—lemons and olives.

ENRICHMENT

The Province of Campania. Discuss the history and significance of the cities of Naples, Salerno, Paestum and Sorrento within the Magna Graecia, the coastal areas of southern Italy that were colonized by ancient Greeks.

The Wonders of Naples' National Archaeological Museum. Prepare for your visit to this renowned museum by learning about its collections of art and artifacts from a local expert.

The Horror and Splendor of Vesuvius. Prepare for your visit to Herculaneum and Pompeii while learning about the tragic effects of the eruption of Mount Vesuvius and its impact on these ancient cities.

Contemporary Italy. Engage in a lecture about Italian society, life in Campania, the current political and economic situation in Italy and the country's future challenges.
