The other important characters in this story are the guides and lecturers, who call this area home.

The guides are not only professionals of their field, they have an anthropological heart and a love for their country. They are deeply devoted to Russia and St. Petersburg’s culture.

The lecturers make the history and culture of Russia come alive in all of its aspects.

This program will retrace little-known chapters in your history as well as give you a chance to experience an aspect of Russian culture during walking and sightseeing tours.

The program will retrace little-known chapters in your history as well as give you a chance to experience an aspect of Russian culture during walking and sightseeing tours.

For example, you can visit the Hermitage and see the paintings by Rubens, El Greco, and Rembrandt. 

You will also have an opportunity to visit a country house, savor lunch and sample vodka, and then celebrate folk traditions during a show.

After the show, the participants will explore the sights of St. Petersburg, such as the Winter Palace, the Hermitage, and the Peter and Paul Fortress.
